Dear Professional Women,

2005-2006 ASWA year was TERRIFIC for the Houston Chapter. Thinking back, the challenge to all members was to increase membership by 10 and invite at least one guest to each meeting. That challenge paid off for the Houston Chapter. Thank you Eileen for your leadership and guidance.

As President of the Houston Chapter for 2006-2007, I want to add three areas of focus for the chapter: more networking, increased member participation on committees and scholarship fundraising for students. The chapter will continue the root focus of increasing membership, providing low-cost, high quality CPE and monthly FAX Return publication.

All committee chairpersons have sent emails inviting members to participate on their committees. The response has been great, let's keep that up. Member participation is important for the continued growth and success of the chapter. Please call or email the committee chairperson if you are interested in participating on their committee.

I am looking forward to another great year for the ASWA Houston Chapter.

New Member Profiles

Krisit DeNardo

Kristi was born and raised in Shelby County in Deep East Texas. She grew up on a farm, and her earliest memories are driving a tractor, bush-hogging, plowing crops, and feeding cows. Kristi is the youngest of five kids (4 girls, with our brother sandwiched in the middle).

Kristi attended Stephen F. Austin State University in Nacogdoches, TX, where she obtained her BBA in accounting with a minor in finance. Kristi also secured a provisional secondary teaching certificate, and completed the coursework for an MBA in accounting with secondary emphasis in management.

Just after completing the MBA coursework, and before having an opportunity to take the comprehensive exams, Kristi married the love of her life and they were transferred to Elkhart, IN almost immediately. Kristi and her husband spent 4 1/2 years in Indiana. Kristi's husband is an engineer, with a specialty in valve design. They were then transferred to Reynosa, Mexico. They spent almost exactly a year there, and Kristi worked as the general accounting manager for Datacom Custom Manufacturing, who made printers for TI and other brandings. They were then transferred back to northern Indiana, where she was employed by Holy Cross Health System as a corporate staff accountant. Her company merged within 3 months and her position was moved to Detroit, MI. Declining the move she went to work for Elkhart Plastics, Inc., a rotational plastics molding company as Assistant Controller. Within 6 months her husband had been transferred to Chattanooga, TN.

Kristi spent the last 5 1/2 years employed by Gordon Biersch Brewery Restaurant Group, Inc, a chain of upscale casual dining restaurants, with a microbrewery in each. Kristi left there in March of this year as regional controller with responsibility for 15 restaurants and one nightclub.

On a personal note, Kristi has two grown sons. The eldest has completed his degree in mechanical engineering and joined the Navy, where he has almost completed flight training, with an emphasis in helicopters. He is engaged to a terrific girl from Nashville, who is also in the Navy. They are stationed in Pensacola. The younger son has spent a few years trying to decide what he wants to do, and has finally chosen something and will begin further schooling this fall.

Kristi and her husband are active in a number of sports, including 4-wheeling, motorcycling, SCUBA diving, white-water rafting (they just got into last fall), and jet-skiing. They have two adorable canine children -Samantha, a 15-year old black cocker spaniel, and Harrison, a 4-year old Japanese spitz.

Kristi has been an active member of ASWA for the past 5 years, and has served in several offices, most recently as chapter president in Chattanooga. She am excited about the opportunity to serve as director and chair of the membership committee in Houston, and look forward to developing friendships with other chapter members. I have also been an active member of the Institute of Financial Accountants for the past 5 years, and have served in several offices in that organization as well.

Welcome to ASWA Houston Chapter Kristi!!

This committee should personally contact members who have not paid their dues by October 1 to find out if they are going to continue as members. The committee needs to determine how the chapter can better meet the needs of those who do not want to continue as members and encourage them to retain their membership. The committee should also contact members who have missed several meetings. The committee should develop a new member orientation program.
