

The highlight of my experience with the American Society of Women Accountants was the October 1994 Joint Annual Meeting (JAM).

Houston was chosen to be the host city for this particular Joint Annual Meeting of the American Woman's Society of Certified Public Accountants (AWSCPA) and the American Society of Women Accountants (ASWA). Chapter members worked very hard to plan and prepare for the meeting. It was the first JAM I had attended and not only did I attend excellent continuing education sessions, but also I met wonderful people from all over the country. I consider this meeting to be one of the Houston Chapter's success stories.

Happy 45th Anniversary, Houston Chapter.

Mary Simpson
President 1993-1994
